GARBAGE COLLECTION CHANGES

Effective July 1, 2023

The existing Village of Slinger garbage contract expires at the end of June 2023. The Village will be switching contractors beginning July 1st, 2023. Harter's Lakeside Disposal will be the Village's new Refuse provider. Harter's, located in Oostburg, WI is a customer service oriented, family-owned company, established in and only present in Wisconsin.

Not only will the Village be changing providers, we are also **changing our service days**. Trash will still be serviced weekly and recycling will be serviced every other week. All residents will be receiving new 95gal trash and recycle carts. Please see the below bullet points for important dates regarding service schedule, delivery of new carts & removal of old carts.

- If your pickup day was Monday, beginning **Thursday July 6th, 2023** you will now be serviced on Wednesday and every Wednesday thereafter (if a holiday falls on or before Wednesday you will be picked up on Thursday). Your first pick up is a Thursday due to the Holiday and is a trash & recycling day, please see calendar for recycling schedule.
- If your pickup day was Tuesday beginning **Friday July 7th, 2023** you will now be serviced on Thursday and every Thursday thereafter (if a holiday falls on or before Thursday you will be picked up on Friday). Your first pick up is a Friday due to the Holiday and is a trash & recycling day, please see calendar for recycling schedule.
- The week of June 19th, please leave your current recycling carts out for pickup by Waste Management.
- The week of June 26th, please leave your current garbage carts out for pickup by Waste Management.
- **Harter's Carts will be delivered the week of June 26th.**
- After June's final pickups the old carts will no longer be serviced, so do not put anything in them. This process will take a couple days so be patient as carts will be removed and delivered throughout the week (possibly the weekend). All residents will receive their new carts prior to the next pick up. If you don't have your new carts by Monday July 3rd, please contact Harter's at 920-552-5412.
- You will receive more information, including a schedule for pick-ups, when your carts are delivered.
- **NOTE: Harter's will be handling all questions, concerns, missed pick-ups and cart repairs. Call them at 920-552-5412.**
